The scholarship will be awarded to a resident of Grafton County attending a camp based in conservation, natural resources or environmental education. The District will award a Jim Page Conservation Scholarship of \$300.00 to a deserving student of Grafton County towards a 4-H Camp or conservation camp experience. The application is easy to complete – just write a paragraph about why you want to attend camp! Recipients should be prepared to speak to the Grafton County Conservation District or a peer group (4-H, school) about their camp experience. Contact Pam Gilbert at Grafton County Conservation District, 603 353-4652, ext. 103, for application and information. **Applications must be received at Grafton County Conservation District by May 1, 2014.**

The Jim Page Conservation Scholarship Fund was established by Grafton County Conservation District in honor of Mr. Page's commitment to resource conservation. Jim Page was a life-long resident of Grafton County, and served his country as a geologist for the U.S. Geodetic Survey, and as a staff sergeant during World War II. He returned to Benton in 1950 where he established and managed Page Hill Farms on land settled by his great-grandfather. Jim served his community as Selectman, Moderator and Planning Board member. He was also active in land and forest conservation and was instrumental in developing a comprehensive land use plan for Grafton County through the Grafton County Conservation District. Jim was a District Supervisor for 20 years. Grafton County Conservation District accepts donations to the Jim Page Conservation Scholarship Fund solely for the purpose of distributing conservation scholarships.
