Yes, I would like to help out sorting plants the week of April 23, 2018

Deadline for placing orders is Friday, March 9, 2018

Make checks payable to: Grafton County Conservation District or GCCD
19 Archertown Road, Orford, NH 03777

A postcard will be sent to you 1-2 weeks before the pick-up date summarizing your order. Any changes we are aware of will be noted on your postcard. Please bring your postcard with you when picking up plants.

**Plant pickup will be at Windy Ridge Orchard,
Rte. 116/Benton Road, North Haverhill,
3 miles east on Rte. 116 from monument in North Haverhill
Saturday, April 28, 2018 9:00AM - 11:00AM**

The way to maximize your success rate is to match the right plant with the right soil and light conditions:

- Keep unplanted trees cool, moist, and out of direct sunlight before planting or heeling in. Heeling in provides temporary care by digging a long trench on the shady side of a building, placing the roots of the plants in the trench and then filling the soil back in.
- Keep the roots moist at all times (a warm, dry wind takes only a minute to dry out root hairs).
- Make holes deep & large enough to insure that all tree roots are not crowded, upturned or exposed.
